What's Happening????

January 20, 2008

Marshfield Inn & Motel

The Twinfield Snow Travelers has had a few changes. As some of you may know John Schmitt has stepped down from being the trails coordinator and John Domey has taken his place. We would like to give a BIG Thank You to John Schmitt for his years of service.

The Tucker and it's belongings are now housed at Lucky Day Company in Plainfield. It's great to get the Tucker inside where it's

warm when it needs repairs.

We have been updating our website. One of the exciting enhancements will be the option to purchase your VAST and club membership though our website with your credit card.

Check it out.

The trails have been in poor shape due to lack of snow and open water, once we get some cold weather and snow we can

get the trails in tip top shape.

This fall we replaced East Montpelier's swing bridge with a bailey bridge. What an accomplishment for our club.

We want to give a big **THANK YOU** to all who helped.
